Dear Jeremy:

I just wanted to take a moment to express our sincere gratitude for the work that you did for the Klingenstein Center at our 30th Anniversary event. Your technical and creative expertise was evident throughout. All of the rooms looked spectacular and given the limited amount of time and the various other logistics you had to contend with (550 people, two cocktail receptions separated by seven floors, and balancing workspace with the audio visual and dining staffs in a somewhat frenzied environment) it was nothing short of a miraculous transformation. Our honorees and all of our guests, alumni, and friends were very pleased.

Thank you for turning a three ring circus into a ballet!

With our best wishes,

Adele Tonge

Dear Jeremy,

Just a small note to say a huge thanks for your extraordinary effort in making our sponsor party the best ever! The positive responses were proof that it was a success. We definitely could not have done it with out your amazing staff and professionalism.

It was a pleasure working with you and hopefully we will work with you in the near future.

Again, thank you for all your help.

Take care.

Sincerely,

The Team ☺

On behalf of The Libby Ross Foundation, we would like to thank you and Robert Stark Lighting for your commitment to our programs and to our success as a foundation. Your generous contribution of discounted lighting, valued at \$7,420 for our Annual Benefit Gala, helped to make the 2006 Gala the most spectacular event we have ever hosted, and enabled the Foundation to raise more than \$100,000 towards the fight against breast cancer.

The mission of The Libby Ross Foundation is to make a significant difference in the lives of women afflicted with breast cancer through unique support programs and to help eradicate the disease through research and early detection.

We look forward to working with you again in the future and raising even more funds for this important cause. Please feel free to contact us should you require any assistance from the Foundation.
